

“Savings is Fun”

We are excited to offer the “Savings is Fun” program to the students at Veterans Park Elementary School! We are thrilled to have the opportunity to partner with your school to help students learn about the importance of developing good savings habits!

As a local community based **not for profit** financial institution, LUSO Federal Credit Union strives to provide the best in member financial services to all who live, work, worship or attend school in Hampden County; this is the objective behind our “Savings is Fun” program.

Complete the attached form ONLY if your child is NEW to our program.

Students will receive:

- A blue banking bag to bring their deposits to school .
- A free account opening gift.
- \$5.00 opening deposit, courtesy of LUSO *
- “Savings is Fun” passbook and deposit envelopes.
- With each deposit your child makes, they will receive a free gift.
- After 6 deposits, your child will receive a free book!

How in school banking works:

- A Credit Union representative will be at your school every Thursday, beginning September 15th at 9:00 a.m. to accept deposits.
- Each visit, a Credit Union representative will update the student’s passbook which eliminates the need for paper receipts.
- Each month the student will receive a statement at his or her home address showing account activity.
