Scribble Stones

by Diane Alber

This story starts off with a little stone who thinks he will become something amazing but then soon realizes he had become a dull paper weight. He's on a mission to become something greater and in the process meets scribble and splatter and they all come up with creative way to bring joy to thousands of people. If you loved I'm Not just a Scribble... then you'll love Scribble Stones! And you'll even be inspired to make some scribble stones of your own!
