My Magical Choices

by Becky Cummings

No more "I can't, I don't know, or I'm not!" As you use My Magical Choices to teach your children positive, conscious language, they will choose to be responsible, calm, confident, fun, a good sport, forgiving, generous and more!

Boys and girls will be instantly drawn to the beautiful illustrations and fun rhymes that empower them to be responsible for their own happiness. Parents and teachers love the social-emotional message that greatness comes by making the choice to take positive actions towards a goal. These actions create a feeling of happiness inside and help develop life-long healthy habits.
